

Kirton in Lindsey Town Council are looking for your nominations for the 2023 Civic Award.

There are many unsung community heroes walking amongst us, and this is your chance to show them that their efforts are inspirational - you can nominate anyone from the town whose contribution you think should be celebrated.

People who make a big difference in the community by going above and beyond the call of duty, perhaps a role model or a motivator - there is so much good work going on - whoever you feel is doing good in our town, the Town Council would like to hear about them and help you celebrate their achievements.

The annual Civic Award is a great way to show your gratitude to those who may not usually get the recognition they deserve. The winner will be selected by the Town Council and presented with a custom made award to keep and have their name added to the Civic Award Shield displayed in the Town Hall.

Please send your nomination, including details of why you think they deserve the award, to the Town Clerk before Sunday 10th December.
