October 2021 Newsletter

A brief update on activities and news from Kirton in Lindsey Town Council.

Grove Street Cemetery update

Kirton in Lindsey Town Council, as the Burial Authority, has a duty under Health and Safety legislation to control the dangers that exist in the cemetery. This includes work to actively remove hazards posed by unstable memorials. An inspection of all memorials was carried out in the summer and the Town Council have decided that a period of six months (to March 2022) is given to grave owners to carry out any required works identified by the inspection.

Following the inspection, those memorials requiring action are marked for the owner's attention. It is the owner's responsibility to undertake any works required. This could include contacting memorial masons for advice and guidance. The Council should be informed of any works taking place in the cemetery prior to them starting, and confirmation should be provided when works are completed. This enables the Council to update all reporting to confirm the required works have been carried out and to ensure that any works do not cause disturbance to memorial services planned within the cemetery.

The owner of the memorial is responsible for maintaining the memorial in good condition and will be properly informed by their memorial mason of their and other party's responsibilities. Where owners cannot be traced the Town Council will make a decision after the six months period (to March 2022) on how to deal with a memorial highlighted as dangerous in the inspection report.

Notice will be given for any intended action to any memorial. If all attempts to contact the grave owner fail then the Town Council has the right to remove or take such steps as to make safe the hazard. This will also be the case for memorials where the grave owner or their heirs-at-law have been contactable but were either unwilling or unable to ensure a repair by a registered stone mason.

If you have a memorial in the cemetery follow these three steps:

- Check if it is marked as requiring attention
- Seek advice and guidance from a registered memorial mason
- Keep the Town Council informed

If you have any queries about these works, please contact the Town Clerk.

Allotments

Work continues to prepare the allotment site for use, with the current work to provide a water supply to the site. Further updates will be provided when available, there is a first-come-first-served waiting list for allotment plots held at the Town Council office.

Town Survey Results

Thank you to all of you who completed the recent Town Survey which closed at the start of September. The summary report shared on social media is also available from the home page of the Town Council website. It shows the results of the multiple-choice questions and also the most frequent answers to the open ended questions, with some description of what we're doing. A copy will also be going out with the November edition of Kirton First.

Local Plan

North Lincolnshire Council Local Plan - Kirton in Lindsey Public Consultation event

WHAT IS A LOCAL PLAN?

A Local Plan sets out the vision and objectives for the future development of the area, addressing needs and opportunities in relation to housing, the economy, community facilities and infrastructure – as well as a basis for safeguarding the environment, adapting to climate change and securing good design.

The policies and proposals will guide decisions and investment on development and regeneration up to 2036.

WHEN CAN I HAVE MY SAY?

North Lincolnshire Council will be holding a public consultation event at Kirton in Lindsey Town Hall on Tuesday, 2nd November 2021 between 3pm and 7pm.

The public consultation period started on 15th October and runs until 26th November 2021 - you can leave your comments about the plan by searching for 'Local Plan' on the North Lincolnshire Council website.
