Civic Dinner reveals the 2021 Civic Awards

The Mayor's Charity Civic Dinner was held on Saturday 19th February, an evening to build countywide relationships and promote the town. Dignitaries attending including the Mayors of North Lincolnshire, North East Lincolnshire, Barton, Brigg, Broughton, Gainsborough, Hedon, Hessle and Winterton as well as representatives from Kirton in Lindsey businesses and organisations. Raffle and auction prizes were generously donated by local businesses including Cleatham Hall, Christine's Hair Fashions; Station Road Co-Op; Trent Valley Gliding Club; Fairgardens Garden Centre; The George; Uncle Henry's; RAF Scampton; Payne's Chemist and The Terrace Bistro. Over £700.00 was raised on the night for the Mayor's chosen charity which is the War Memorial and Garden of Edward Elmhirst Duckering.

The 2021 Civic Awards were also presented during the Civic Dinner, with the Town Council choosing to present two awards for 2021. Brian & Pamela Chudley were nominated by people from outside of the town, which is highly unusual for the Civic Award. They won as they promote Kirton in Lindsey like no other, with the countless hours planning, developing, promoting and delivering regular Town Hall Live events at Kirton in Lindsey Town Hall. This brings in revenue for the Town, supports the Town Hall which is a registered charity in its own right and brings acts from around the world to Kirton in Lindsey. Tony Bartlett won for the works he has carried out near to his home in the Traingate area of Kirton in Lindsey. Firstly he started the flower beds and then went on to design and project manage "Grandads Plough", a monument to the agricultural heritage of Kirton in Lindsey.

Market Place works

Some residents will be aware of ongoing works in and around the Market Place, and these include the completed installation of new lamp posts at Town Hall Passage which were connected in mid-February and the start of the one-way system trial. This trial will be in place for 18 months monitored by North Lincolnshire Council. Feedback from the trial will provide evidence base for any permanent improvements to the traffic flow around the Market Place for all users including vehicles and pedestrians. A review of litter bins and dog waste bins is ongoing by North Lincolnshire Council and evidence from feedback to the Town Council can help inform improvements on replacement or relocation of these if required following the completion of the review.

Please note that works to footpaths, including resurfacing and the installation of new dropped kerbs will not be carried out by North Lincolnshire Council until works by KCOM around the town have completed.
