

Kirton in Lindsey Town Council
Policy 17: Grant Awarding Policy
Reviewed and Adopted May 2019 (v.20191)

Criteria

1. Groups within Kirton in Lindsey can apply to the fund. Those outside the town who can demonstrate direct benefit to the inhabitants will also be eligible to apply.
2. The town council will support both capital and revenue projects. Projects with total cost of £1million and below will be eligible to apply for funding.
3. Groups can apply once per year but may bid for a number of elements of a project in the application.
4. All applications will be considered with regard to financial stability of the groups and judged on their own merits.
5. Wherever possible a group will be expected to make some contribution from its own funds.
6. Where partnership funding is being sourced, the council would wish to see that such funding has been secured prior to awarding a grant.
7. Retrospective applications (ie for projects already completed) will be allowed. The Town Council will adjudge at the time of application whether the project was urgent and also consider the financial situation of the group at the time.

Applications

8. Groups will apply to the fund using the agreed application form.
9. Groups will be expected to supply accompanying documentation as detailed on the application form.
