The Committee discussed information and actions required at this time regarding Town Events.

- SportsZone – the Assistant Clerk noted that contact was due to be made with Wright Way Sports in order that information including the starting date for the 2025 season could be brought to the next meeting.
- Annual Town Meeting – it was noted that the informal approach adopted last year had proved popular and should be retained. The costs for this to be brought to the next meeting and the scheduled date to be confirmed with the Town Hall.
- 80th Anniversary of VE Day – a quotation was received from Little Enchantments for provision of PA and live singing relevant to the event. This is for an hour of music and an hour and half provision of PA, costing £220. The North Lincolnshire Council grant funding is for £250. - **Christmas Festival** – Alison Birkett provided an update from meeting with the Lincolnshire Co-Op regarding their community champion scheme for an application of support for the Christmas Festival. It was confirmed that the scheme supports charities and community groups. The preferred means of application, from the Town Council or Events Working Group, to be queried and an application for £250.00 to be considered. The Committee thanked Alison for speaking with Lincolnshire Co-Op about this.
Alternative options for the town Christmas Tree were discussed. The Assistant Clerk has contacted one company and is awaiting further information with costings from them. Cllr Gunn noted that she had a verbal offer, which she is waiting for in writing, for the donation of a tree. This would require transport from Lincoln and putting into place/taking down.
Cllr Gunn also proposed that a living tree to be permanently installed in the Market Place was looked into, in order to consider the cost savings this may provide for future years.
RESOLUTION: That the approach for an application for £250.00 to Lincolnshire Co-Op Community Champions is clarified.
RESOLUTION: That local Town and Parish Council's are contacted to find out about any permanently installed Christmas trees as examples for advice on if this could be achieved.
