donation has never been asked for and questioned the support for community events in the town from the Town Council. The Town Clerk worked with the organisers to help resolve the issue around this and advised a donation would not be required, this smoothed relations and they have confirmed the event is now planned to go ahead, providing posters for display.

For 'Bricks at the Park' the organisers have worked closely with the Assistant Clerk to provide all the information and meet all the requirements requested, this has required a lot of input from the Assistant Clerk. The costs to put on the event have increased for the business beyond their expectations and the Town Clerk asked for clarification on the level of donation to be requested from them. Access for the event set up / take down still requires some clarification.
